Dear Mr. Major:

Thank you for accepting our invitation to address the
Advanced Intelligence Seminar on "Counterintelligence Strategies
for the 80's and Beyond" on November 20, 1985 from 2:15 to
4:25 p.m.

The Seminar is designed for senior intelligence officers
(grade GS-14 - GS-15) who will be in positions to influence
Agency response to domestic and foreign trends over the next
five years. The course goal is to expose these officers to
alternative viewpoints and perspectives on intelligence and
its role in a democratic society. We ask our speakers to
prepare no more than 50 minutes of remarks in order to allow
for an extended discussion and question and answer session.

The Seminar will be held at the Chamber of Commerce
Building, 4600 North Fairfax Drive, Arlington, Virginia.
Parking spaces 2 and 3 at the rear of the building are reserved
for our guest lecturers. The parking spaces can be approached
only by turning right from Wilson Boulevard onto Wakefield Street.
On your arrival, go to the second floor reception area and someone
from the staff will bring you to the Seminar room on the 10th floor.

If you have any questions, please call the Course Director,
the training assistant, on
